- Registrations will be accepted through June 10th

PDHC Mission

We seek to provide caring services for responsible sexual values and alternatives to abortion to as many individuals as possible in the central Ohio area. We focus especially on individuals considering abortion because they lack information or support. We do this through programs which provide pregnancy testing and intervention, pregnancy confirmation through medical examination and ultrasound, mentoring and nurturing support, linkage to community resources, education and training, post abortion support, material aid and housing referrals for pregnant girls and women, and abstinence education in the community.

We provide consultation to groups who share our vision, and we serve as a leader in the community and movement at large for responsible sexual values and alternatives to abortion.

Don't golf? Please join us at the awards reception and join in our annual live and silent auction to help support PDHC. It's fun and features OSU memorabilia, OSU Football tickets, and golf packages from area golf clubs.
